

## Santa Float Routes 2020

Santa's ready to tour Southwell and the surrounding villages, but with the changing spread of the coronavirus and its impact on our communities, these arrangements could still change at any time.

We won't be able to knock on doors, so please come out to meet us on the pavement, say hello and have a chat. We'll all be keeping our distance, wearing face protection and hope that we can still bring some much needed cheer without encouraging crowds or street parties.

Even with only a group of 6, we are covering most of the roads that we normally visit, but without shared transport to ferry collectors etc. we have had to miss out a few streets. We'll make up for this in 2021.

Our timings are approximate, as we can only estimate how many Santa stops we'll have en route. Please listen out for the music.

We'll have contactless card readers as well as the normal buckets and a donation link on our website. <https://www.southwell-lions.org/christmas-float-2020.html> or at [justgiving.com/campaign/santafloat2020](https://justgiving.com/campaign/santafloat2020).

If we need to make any last minute changes these will be on our Facebook page and our website.

We look forward to seeing the children, parents and grandparents during this 2 week period.
