

Santa Float Routes 2021

Southwell Lions will be out touring the area with Santa and his sleigh hoping to see lots of children, parents and grandparents during this 3 week period. If we have to make any last-minute changes due to Covid etc, these will be posted our Facebook page and our website: <https://www.southwell-lions.org>

We will keep our distance to say hello, and hope that we can still bring some much-needed cheer without encouraging crowds or street parties.

We'll now be out and about for 12 nights, rather than 10 in the past so that we will not disturb residents after 8.30 pm.

We've estimated our time schedule, but this will depend on how many Santa stops we'll have en route, so please listen out for the music and make sure your doorbell works.

We'll have contactless card readers as well as the normal buckets and a donation link on our website. <https://www.justgiving.com/campaign/Southwell-Santa-2021>

Santa and the float will be in the Co-op car park on 11th December and outside the Rodney on 18th December from approximately 8.30 to 13.00.
